Joelle,

I have received and reviewed the proposed Reclamation Contract and Surety Bond for BMW Stone, Inc. Except for one blank date it appears fine to me. I understand that ACSTAR Insurance Company is on the approved federal sureties list, and Mr. Nozko, Jr. appears to be authorized to act on behalf of ACSTAR. Mark Willes appears to be authorized to bind BMW Stone on this matter.

There is a blank date on page one of Attachment B, Surety Bond, re the date the Division approved of the Reclamation Plan. This should be completed before Lowell Braxton signs.

If you have any questions please contact me.
